2 Kings 2:19-22

1. What was the problem that the city brought to Elisha in 2:19? _____

2. Why was the water bad (see Joshua 6:26)? _____

3. Are there places, things or even people who have stood in the way of God's will today?

4. Have you stood in the way of God's will? Yes _____ No _____ Give examples. _____

5. Have you experienced what seems like curses or unproductivity because of this?
Yes _____ No _____ Explain. _____

6. What did Elisha do?
 - a. He told them to move on because this land would never be productive.
 - b. He told them to figure it out themselves.
 - c. He refused to bless what the man of God had previously cursed.
 - d. He asked them to bring him a bowl and some salt.
 - e. He threw the salt into the spring.
7. Couldn't the people have just done this themselves?
 - a. Sure, if they knew what to do.
 - b. No, this would not have purified a flowing spring.
 - c. The salt was not the cure, but rather the declaration of God's word over it.
8. Does God still cleanse and heal things that have previously been cursed today? Yes _____
No _____ Explain. _____
