Exodus 11

1. What has been happening for the last several weeks in the book of Exodus? _____

2. What does God say to Moses in 11:1?
a. It's going to be awhile.
b. I will bring one more plague on Pharaoh and on Egypt. After that, he will let you go from here...
c. ...when he does, he will drive you out completely.

3. Don't we wish that he would do it faster and with less waiting and plagues? _____

Do you think that Pharaoh would have driven the Israelites as completely or emphatically as he did (so as to be completely free from now on) if Pharaoh had willingly let them go into the desert to worship the first time? _____

Do we miss out on full deliverance sometimes because we are too focused on fast deliverance? _____

4. What does God tell Moses to do in verse 2? _____

Does this seem reasonable for God to ask? Yes _____ No _____ What does verse 3 tell us that makes this reasonable? _____

5. Does God still tell us to do things that may seem unreasonable or socially unacceptable?
Yes _____ No _____ Do we do it, expecting that he has made others favorably disposed or do we hold to regular social conventions and say to no to God? _____

6. What is the plague that is coming now, according to verses 4-6? _____

What does verse 7 tell us about what God will do for Israel? _____

7. Do you think God still makes clear distinctions in his dealing with His own people and the world?

Do we miss out on this when there is no difference between us and the world? _____
