**Hebrews 10:26-39**

1. What did the writer of Hebrews tell us in verses 19-25?
  - a. We can have confidence to enter into the Most Holy Place by the blood of Jesus that cleansed us from the inside and not only on the outside like the blood of animals before.
  - b. He invited us to draw near to God.
  - c. He reminded us to hold unswervingly to the hope we profess and that he who promised is faithful.
  - d. He reminded us of the importance of meeting together and encouraging one another.
  
2. What do verses 26-27 say about sin?
  - a. Once we are saved, we can continue to do it because it is covered by the blood.
  - b. The sacrifice covered it.
  - c. If we deliberately go on sinning after we have received the knowledge of the truth, no sacrifice for sins is left.
  - d. If we deliberately go on sinning after we have received the knowledge of the truth, we should have a fearful expectation of judgment and of raging fire that will consume the enemies of God.
  
3. What does it mean to deliberately go on sinning?
  - a. When we verbally express our contempt for God and even say that we want to sin.
  - b. When we know what is right and choose wrong instead.
  - c. When we already asked forgiveness for that thing, but we do it again anyway with the expectation that God will just forgive it again.

5. Why, according to verses 28-31, does it make sense that this sort of behavior would be punished?
  - a. Because those who violated the first covenant were punished.
  - b. Because the violation of this new covenant is a much greater offense.
  - c. Because when we continue to sin after coming to a knowledge of the truth, we trample the Son of God underfoot.
  - d. Because when we continue to sin after coming to a knowledge of the truth, we treat as an unholy thing the blood of the covenant that sanctified us.
  - e. Because when we continue to sin after coming to a knowledge of the truth, we insult the Spirit of grace.
